

Sagala Lodge Voi is a two hours drive from Mombasa and situated at the foothills of the Sagala mountain range, lies the romantic Sagala Lodge, conveniently located and easy to reach at the park boundaries of Tsavo East National Park and only a few kilometers away from the Tsavo West. The Lodge comprises of 26 bungalows scattered across the lush gardens of the lodge. A swimming pool, a souvenir shop, a lounge-bar and a quality restaurant add to the comfort of your stay, and our 5000 acres wildlife sanctuary is a special attraction. Different types of bungalows are available. For a special stay and for honeymooners we recommend the Oryx Suite. You will never forget your romantic stay in the wilderness of Africa.

Excursions from the Lodge include Tsavo-East and Tsavo-West game drives, Amboseli, Lake Jipee Lugard Falls, Aruba Dam and much more. Safari cars can be rented at the lodge at moderate rates charged per mile or you can also use your own private car as most of the routes in Tsavo East- and West- National Parks are well maintained. Keen birders are attracted most by the more than 200 species of birds regularly seen in the area. Guided bird watching trips within safe vicinity are a big attraction. www.crocodileracers.com

At the rooftop terrace above the Oryx Suite you have a beautiful view of the Sagala hill and you can admire magnificent sunsets.

Dining

At the end of the day you can enjoy a drink at the bar or pool followed by an excellent dinner under the stars. You may wish to end your evening sitting by the fire, a great place to have a nightcap and meet other guests.
