

Village Shasha Camp Voi Kenya is only 2 hours' drive from Mombasa and 4 hours' drive from Nairobi. It is, also, 12 kilometres from Voi town on the Voi / Mwatate road. The village has easy access to both game reserves in Tsavo, namely, Tsavo East and Tsavo West National Parks. Tsavo is one of Kenya's oldest and largest National Parks. It offers tremendous views with diverse habitats ranging from mountains, rivers, forests, plains, lakes and grasslands, not to mention the famous African wildlife which include Lions, Elephants, Giraffes, Leopards and a host of other animals only found on this side of the world.

At Village Shasha Camp, you will experience the serenity and ambiance provided by a variety of birds, the squeaky bush babies, the rare velvet monkeys and other nocturnal animals. www.crocodileracers.com

Village Shasha Camp is, also, a bird's migratory route to and from the Southern zone.

A major refurbishment has been recently undertaken to improve the facilities available for your comfort and enjoyment.

All our public areas are wheelchair-friendly.
