

Tsavo Safari Camp is Located midway between Nairobi and Mombasa and 27kms into the Tsavo East National park from Mtito Andei. The camp is a beautiful oasis set with a dramatic scenery along the banks of the Galana River. Tsavo safari Camp has for more than two decades derived as one of the grand African 'outback' experiences.

The Camp is discreetly hidden among the abundance of natural plants that make up the camp gardens; accommodation is in comfortable river-facing tents or cottages.
