

Little Gem Cottage, like it's sister Bijou Cottage, is a two-bedroom self-contained guest house located on a beach plot, only a few metres from the Watamu Marine Park and Indian Ocean. The swimming pool is shared with Bijou the owners in the main house.

The property includes one double bedroom with an overhead fan, mosquito net and air-conditioning, as well as a twin bedroom with overhead fan, air-conditioning and mosquito net. The unit comprises a bathroom and a kitchen, living and dining area under the makuti roof. The property is staffed with a house-keeper, and a casual cook can be provided at an additional charge.
