

Abora House Cottage Watamu Kenya is set back a row from the beach (beach side of the road but not direct beach access). It is situated in a lovely tropical garden with 4 feature ponds, one with a fountain and another with a waterfall. The house is a short 10-minute walk from the beach.

Accommodation & Room Types

Abora Cottage is a three-bedroom bungalow with mosquito nets, overhead fans, three bathrooms containing showers, two of which are en-suite. It's also a staffed holiday villa that can accommodate a maximum of 6 people. The house can be rented as either a 2 or 3 bedroom house.

Dining & Staff

A fully equipped small kitchen leads into the indoor living room and a covered verandah stretches the full length of the house. A casual cook can also be added to the staff at an additional charge if required. www.crocodileracers.com
