

Schwari House is a four-bedroom family beach villa with a lovely infinity pool which overlooks the Indian Ocean and the stunning Kuruwitu beach and Marine conservancy.

Accommodation & Room Types

The house can accommodate up to 10 guests and comprises four bedrooms, a kitchen, living room, dining area, and terrace.

The main bedroom contains two double beds and an en-suite with a shower. The second bedroom contains a double bed and leads to the third bedroom which also contains a double bed and an en-suite, while the fourth room contains twin single beds and a bathroom. www.crocodileracers.com

Dining & Staff

The kitchen is separate from the main house, in true Kenyan style. A small inside living area separates the bedrooms and opens out onto the terrace, and a dining table, lamu-bed and sunbeds are set out on the terrace around the pool.

By the side of the pool, steps lead directly down to the beach. The house is fully staffed, including a cook and a night guard.
